

BNF Healthy Eating Week

As part of Healthy Eating week, we will be running an exciting competition!!

Healthy Eating week 19th -23rd June

To help promote healthy eating and healthy choices we will be running a competition. To enter the competition, you need to design a healthy eating poster based on our rules on food in school. You will need to include information about what we are allowed to eat and drink in school at breaktime and why.

Please submit your entries via Seesaw where you can either work within the app on the drawing tool, or you can work on paper and upload a photo.

The winning entries will get printed out and displayed around the school. Plus, a further prize with Miss Gibson, where the winners can choose to have a game of table tennis or dodgeball or even a one off cartoon drawing session. The choice is yours!!

Posters to be submitted by 3rd July via Seesaw.
